

Home

Thank you for being part of ESPNIC 2024!

Meet the Speakers

Showcasing the latest scientific work and cases from the international PICU NICU leaders.

View the Programme

Xperience, Xchange, Xpand, Xplore an incredible array of science and expertise.

Support the Gathering

Explore opportunities to put your company in front of the Peds ICU and Neonatal ICU teams.

Benefit from our experience through hands-on training and courses in paediatric and neonatal intensive care.

Engage in plenaries, keynote presentations, and seminars with the highest quality and standards in Europe.

Grow your professional network through thinking task forces, panels, campfires, and guideline discussions.

Gain knowledge and insights from leading experts during oral presentations, e-poster, and industry sessions.

Learn about the latest breakthroughs in paediatrics and neonatal intensive care during many parallel sessions.

Explore the latest innovations in paediatric medicine and technology at the Industry sessions, and Product theatre.

Enjoy world-class networking opportunities with international professionals during the Coffee and Lunch breaks.

Benefit from a congress experience beyond medicine to help you shape a better future for paediatrics together.
