

# Programme

Exchange ideas and knowledge with colleagues in neonatal and paediatric intensive care from Europe and the whole world. Broaden your perspective, make valuable connections, and find your place in our multidisciplinary community.

The ESPNIC Xperience offers you hands-on sessions, panel discussions, thought-provoking plenary lectures, informal campfire discussions, and so much more. Plus, take advantage of our ESPNIC SIM lab, and attend ESPNIC Masterclasses to enhance and strengthen your practical skills.
