

Benefits of Attending & Past Statistics

Industry Benefits of Supporting ESPNIC 2024:

- The **ESPNIC Xperience** is the world's premier paediatric and neonatal critical care medicine meeting for professionals who want to stay up to date, apply state-of-the-art science to clinical care, present their research, and reinforce existing and develop new collaborations.
 - You will have lots of opportunities for professional and social networking with your friends, peers, and faculty. We will also offer you an exciting social program that will allow you to experience the charm and warmth of Rome. Rome is a fascinating city that combines a great historical heritage with modernity and vibrant culture.
